Academic Year
2018-19

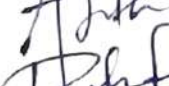

REPORT ON FIRST YEAR ORIENTATION

Title of Activity	FIRST YEAR ORIENTATION
Date	26 August 2019
Mode	Offline

Unity leads to success and the members of CSI have done it with a lot of effort in a very less time. Around 51 students of first-year CS reached the hall by around 4:45 pm and the programme started by 5:00 pm. In this programme, CSI Student Branch Counselor and CSI student representatives gave brief information about the benefits and also interacted with the students. Then it was the time for the activity session and students were divided into groups with the help of an activity. There were five groups containing around 10 people each. First, there was an ice-breaking session in which all of them were asked to say their group members' name and their own names such that one person says his name and the next person sitting near him the group that finished first was given points. In the second activity, each group has to draw something which represents a spot in the college and the other groups should guess with three clues and two to three minutes were given for each picture. In the third activity, each group had to say technology-related words from A to Z. At the end, two students shared their views. Their feedback was highly positive and many were keenly interested in joining CSI.

REPORT ON PROGRAMMING CLASSES

Title of Activity	PROGRAMMING CLASSES
Date	3 September 2019
Mode	Offline

The sophomore members of CSI SB TKMCE took up the initiative to offer classes on the basics of Computer Language and Programming to fresher students with special care given to those who, because of their Biology background didn't have the wherewithal to delve into Computer Science during their high-schooling.

The main aim of such an initiative was to bring about confidence and a sense of comfort with the programming languages and to inculcate a coding culture within them. Something that will go on to tremendously help them within their respective field. The classes were held after college hours, within the campus premises, every day. They were taught basic programming principles and were given insight into the C language. The tutors put in a formidable amount of effort to make sure that the classes didn't alienate the newcomers but at the same making it interesting and challenging for students of Computer Science background so that it could help as a refresher course for them too. The tutoring helped students to really dissect the logic behind every code and create a solid underlying framework that they can further progress upon in the coming years.

The fresher students were also very interactive and keen on questioning and challenging the concepts taught within these classes so as to help themselves gain great acumen in the basics of Computer Science and Programming.

Prof. R. Venkitakrishna Iyer Memorial Award for Arjun M.S

Mr Arjun M.S of Tkm College of Engineering, Kollam was awarded Prof. R. Venkitakrishna Iyer Memorial Award for his excellent performance in B.Tech (Computer Science and Engineering) under APJ Abdul Kalam Technological University, during the academic year 2018- 2019.

REPORT ON QWERTY - Idea Presentation Competition

Title of Activity	QWERTY - Idea Presentation Competition
Date	30 September 2019
Mode	Offline

QWERTY, an Idea Presentation competition was conducted by the CSI SB TKMCE as an opportunity to cultivate new ideas. The participants brought up a variety of futuristic developments that could define the “smart” in a smartphone. Ideas out of the ordinary were brought into the tech field, and the gap between imagination and reality was further thinned out. It was extremely challenging to choose the best out of them all. But Tapan Manu, a second-year student, and a CSI member came up with an idea that was worthy of the grand prize of ₹500. Even though a winner had to be chosen, all the other ideas were truly remarkable and CSI applauds them all.

REPORT ON VR GAMING EVENT

Title of Activity	VR GAMING
Date	6 - 8 March 2020
Mode	Offline

Everyone likes games. Games are more fun when we have a realistic experience. For the college techno-cultural fest, HESTIA 2020, CSI SB TKMCE organized a VR game. The goal was to cross a bridge without falling. It was one of the main attractions of the event with a large audience.

VR game Participants List

REPORT ON LOCALHOST TECH FEST 2020

The present situation of the pandemic is interrupting our normal life. Slowly things are switching to virtual space. CSI SB TKMCE organized an online tech fest. There were one workshop and four competitions. There were nearly 500 registrations.

Title of Activity	LOCALHOST TECHFEST
Date	7th to 20th August 2020
Mode	Online

Events Organised under Localhost

1. Blockchain Workshop
2. Pro Googling Competition
3. Code-a-Throne, Coding Competition
4. Techno Scrawl, Article Writing
5. Exposition, Project Presentation

REPORT ON BLOCKCHAIN WORKSHOP

Title of Activity	VR GAMING
Date	7 August 2020
Mode	Online

CSI SB TKMCE in association with Kerala Blockchain Academy conducted a workshop on the blockchain. The workshop was divided into two sessions. The morning session began at 9:30 am and went on till noon. Topics on introduction and history of bitcoin, cryptographic concepts, digital signature for blockchain, features, use case, and adoption were covered. The afternoon part was a one and half-hour hands-on session on Remix IDE, Metamask, and Ganache from 2 pm to 3:30 pm.

REPORT ON TECHNO-SCRAWL, ARTICLE WRITING COMPETITION

Title of Activity	TECHNO-SCRAWL, ARTICLE WRITING COMPETITION
Date	14 August 2020
Mode	Online

Techno Scrawl was a technical article writing competition. The topic given was "How technology can be used to combat COVID-19?". Students were creative in crafting the article. The best article was selected based on the content, originality, and practicality of the ideas.

REPORT ON EXPOSITION, PROJECT PRESENTATION COMPETITION

Title of Activity	EXPOSITION, PROJECT PRESENTATION COMPETITION
Date	20 August 2020
Mode	Online

Exposition was a project presentation competition. It was held in two rounds. First-round was to submit the abstracts of projects that are related to computer science fields. Then the top 5 shortlisted teams were allowed to present their projects online in front of the judges. The best project was selected based on its creativity, social relevance, and practicality of the project.

REPORT ON SPECIAL INTEREST GROUP (SIGs)

Title of Activity	SPECIAL INTEREST GROUP
Date	23 August 2020
Mode	Hybrid

Different students will have different areas of interest. CSI SB TKMCE decided to organize students based on their interests. Thus we created special interest groups for different topics like programming, and web development. Discussions and doubt clearance are done in these groups.

**Prof. R. Venkitakrishna Iyer Memorial Award for Laveena Herman,
Merin Shaju K. and Rinoy Kuriakose (25 August 2020)**

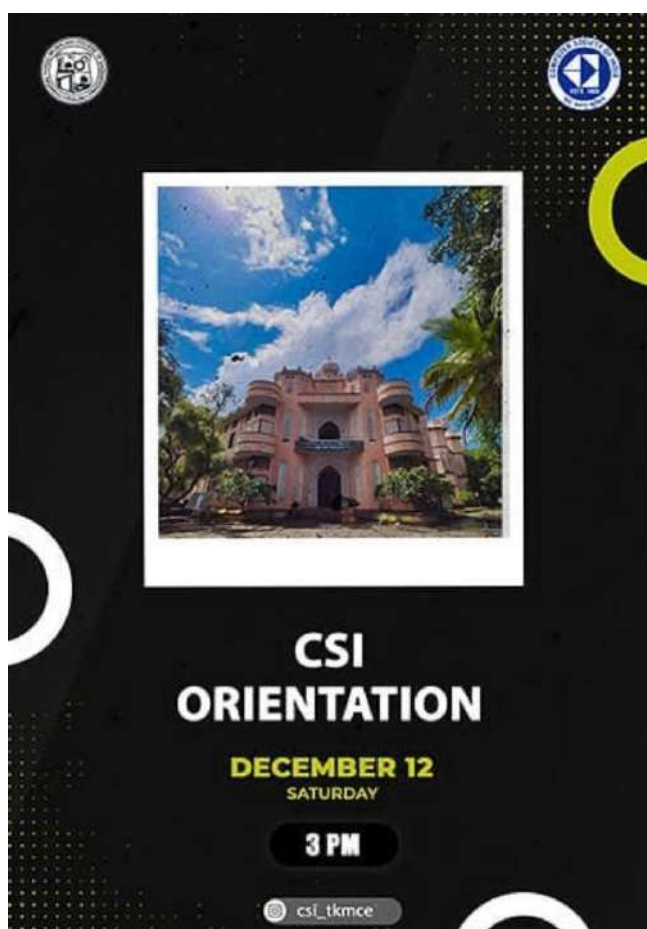

Ms. Laveena Herman, Ms. Merin Shaju, and Mr. Rinoy Kuriakose of Tkm College of Engineering, Kollam was awarded Prof. R. Venkitakrishna Iyer Memorial Award for his excellent performance in B.Tech (Computer Science and Engineering) under APJ Abdul Kalam Technological University, during the academic year 2019- 2020.

REPORT ON FIRST YEAR ORIENTATION

Title of Activity	FIRST YEAR ORIENTATION
Date	12 December 2020
Mode	Online

An orientation for the first-year students was arranged for 12 December 2020. The major focus of the orientation was to introduce newcomers to CSI and the benefits of joining CSI. After the introductory session, an ice-breaking session was conducted through Discord.

REPORT ON C-PROGRAMMING 101

Title of Activity	C-PROGRAMMING 101
Date	17 December 2020
Mode	Online

CSI SB TKMCE conducted an introduction to C Programming for students from non-computer science backgrounds in the first year. The events included topics from very basics. The topics explained in detail. The goal was to remove the fear of programming in students and give a general introduction to programming.

REPORT ON FLUTTER WORKSHOP

Title of Activity	Flutter Workshop
Date	30, 31 March 2021
ModePlatform	Online

The flutter workshop, organized by CSI SB TKMCE was warmly greeted by the app and web development enthusiasts. The event received immediate responses and the seats filled up quickly. The workshop covered all the major topics including Introduction to App Development in Flutter, UI Widgets Building and Integration with Web Series, and Possibility and Future of app development. Sessions were handled by Amal Nath M and Dinoy Raj K, second-year students of TKM College of Engineering. The event was well coordinated by Akshara Jayachandran and Niranjana B.

REPORT ON REACT JS WORKSHOP

Title of Activity	React JS Workshop
Date	24 April 2021
Mode	Online

CSI SB TKMCE conducted a workshop on React Js as a part of LocalHost Techfest 2021 on 24 April 2021. The workshop also marked the official inauguration of LocalHost 2021 by Dr Ansamma, HOD Computer Science and Engineering.

The workshop got an overwhelming initial response and seats filled up quickly. The workshop Conducted a webinar on the benefits of CSI in association with CSI SB GECBH. Dr Achuthsank S Nair, Chairman of CSI Trivandrum Chapter, Dr Biji C L, Chairperson of SAC Trivandrum Chapter, Ms Josna V R, Branch Counsellor of GECBH were the notable speakers. Student members of CSI SB GECBH also shared their experiences. It was mainly focused on freshers.was handled by Milan Shah, a student at TKM College of Engineering and a CSI member. The event was conducted in two sessions. In the morning session, the basics of React Js was covered and the afternoon session dealt with a hands-on session.

A total of 65 students from different branches and colleges had taken an active part in the workshop. Through the online presentation, the attendees could understand and absorb more knowledge and information regarding React Js. The event was a success in a nutshell and ended fruitfully. The session proved to be an informative and inspiring one for all participants. The whole event was pleasantly coordinated by Nithin and Jerry.

REPORT ON PYTHON WORKSHOP

Title of Activity	Python Workshop
Date	25, 26 April 2021
Mode	Online

As part of LocalHost Techfest 2021 organized by CSI SB TKMCE, a Python workshop was conducted on 25th and 26th April via Google Meet. The event focused on providing a strong foundation on various aspects of Python.

The workshop took place over two days and was handled by Ajith PM and Risal Rasheed, students of TKM College of Engineering. After elucidating the basics of Python on the first day, Ajith handed over the session to Risal Rasheed, who took the session to even deeper levels. The workshop was attended by 51 participants from different branches of different colleges and received positive feedback. The event covered important topics like Python basics, OOP using Python, Database Connectivity, Numpy and OpenCV. A doubt clearing session was also arranged at the end of each session.

The workshop as a whole was extremely interactive and interesting. E-certificates were provided for all active participants. The event was beautifully coordinated by Reethu and Swathy. In short, the workshop was marked to be an exemplary one in terms of coordination, active participation of attendees and overall structure.

REPORT ON ENIGMA TREASURE HUNT

Title of Activity	Enigma Treasure Hunt
Date	24-27 April 2021
Mode	Online

CSI SB TKMCE made a kickstart with First year orientation for the year 2021-22. It was mainly aimed to give an idea about the vision and mission with which the Computer Society of India works, to the newcomers of the campus. The participants included all the two batches of first years. The welcome speech was given by the Chairperson, Akshara Jayachandran. Later the events and competitions conducted in the past years by the student branch were briefly addressed by Almira Asif Khan, Documentation head. Ice breaking sessions, including games, were held after the formal session.

REPORT ON CODE-A-THRONE

Title of Activity	Code-A-Throne Coding Competition
Date	28 April 2021
Mode	Online

This was an energizing coding competition. The program was conducted in order to brush the skills of the coders as well as to enhance the competitive coding expertise of the students. The competition consisted of five questions, ranging its level from easy to hard. The greatest challenge for the participants was time management as they were required to complete the competition within two hours. This demanded fast-paced coding and accuracy from the participants, a subtle quality that has to be equipped for a bright coding future. The logical thinking of the participants also had a great say in exhibiting their competitive coding skills in this competition.

REPORT ON EXPOSITION - PROJECT PRESENTATION

Title of Activity	Exposition- Project Presentation Competition
Date	5 June 2021
Mode	Online

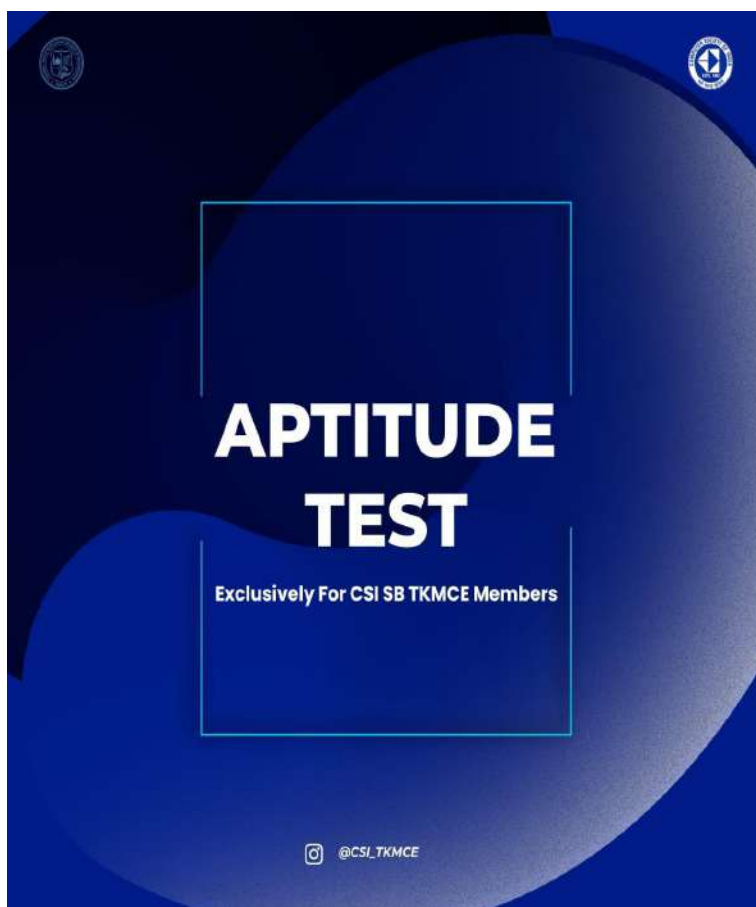

The participants could compete individually or via a group with a maximum limit of 3 members and they were free to choose their topics of interest in the field of Computer Science and submit their abstracts within the mentioned time.

The competition was conducted in two phases. After the detailed analysis of abstracts of the 15 groups, 5 of them were successfully selected for the second phase.

All the five teams were required to present their projects through a google meet and the presentations were examined thoroughly. The first prize was bagged by Tapan Manu, Sreejith A, Sujith V I with their “ Electronic Voting Machine” idea presentation. A cash prize of Rs 1000 was awarded to the winners.

REPORT ON PLACEMENT PREPARATION APTITUDE TEST

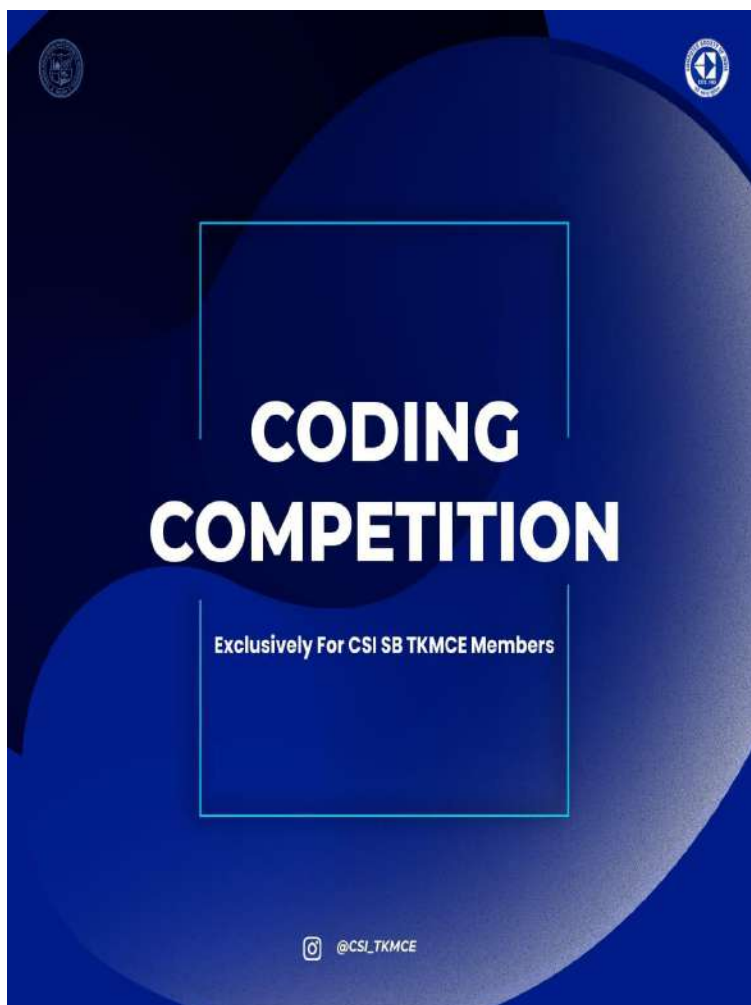

Title of Activity	Placement Preparation Aptitude Test
Date	11-26 June 2021
Mode	Online

The main objective of the Aptitude test was to test their aptitude skills and the time taken to attempt a question. It also gave them an idea about the type of questions that may be asked by different companies. The questions were taken from previous question papers. The quiz was created with the help of Google forms and the timer was set based on difficulty levels. Every week, on Friday, a new quiz of 30 questions was released. The detailed answer key was mailed to every participant.

REPORT ON PLACEMENT PREPARATION- CODING SKILL TEST

Title of Activity	Placement Preparation - Coding skill test
Date	11- 26 June 2021
Mode	Online

Just like Aptitude tests, Coding Skill Test was conducted for CSI members. The main objective of this event was to help the participants be in touch with the algorithms and program syntax. It was conducted for practice and to train the students to code within the time duration. Hackerrank was used to upload the questions. The questions were chosen from different competitions and company interviews. The questions were released every week and were active for 24 hours. Feedback was also taken from the participants.

REPORT ON CSI DILIGENCE

DILIGENCE
Topic: How to prepare for placement?

Arun Nair
Director – Projects at Pelatro

June 26 2021
Time : 11 to 12 PM

Arya : +91 94463 48763
Saranya : +91 6282 938 963

Title of Activity	Diligence
Date	26 June 2021
Mode	Online

CSI SB TKMCE conducted a talk on How to Prepare for Placements as a part of its Placement Training Program. The talk was presented by Mr. Arun R Nair, the Director of Projects at Pelatro. During the session, he spoke about the industry, the kind of life we lead in the industry. He also highlighted the importance of projects as well as the relevance of computer programming. He also gave students an insight on how to prepare for interviews by giving them a step-by-step procedure for preparing for the interviews they would be facing in the future.

REPORT ON CSI NATIONAL TECH TALK

The poster for the National Student Tech Talk Series Session - 09 features a blue and white geometric background. At the top left, it displays the logos of CSI Trivandrum Chapter & CSI TKM Student Chapter, along with the University Partner: Kerala Technological University Padmabhushan FC Kohli Commemorative. The central text reads "National Student tech talk Series SESSION - 09". At the bottom left, it specifies the date and time: "17th JUNE 2021 Thursday 6PM IST", accompanied by a QR code and a Google Meet link: "meet.google.com/wcj-nvct-ntt". On the right side, under the heading "Speakers", there are five circular portraits of the speakers, each with their name, affiliation, and topic. The speakers are Tapan Manu (TKM College of Engineering, Topic: DeepFakes), Vinay K Narayanan (Rajagiri School of Engineering & Technology, Topic: Data Science in Medical Domain), Afsal Rahman VP (Sree Chitra Thirunal College of Engineering, Topic: Digital Privacy), Anandhu V (College of Engineering Perumon, Topic: The Brain-Machine Interface), and Dr. Arun Anirudhan V (Session Chair, Scientist Engineer D, SCTIMST & Post Doctoral Fellow at IIT Hyderabad).

Title of Activity	National Tech Talk
Date	17 June 2021
Mode	Online

CSI TKM Student Chapter along with CSI Trivandrum Chapter organized the 8th session of Padmabhushan FC Kohli Commemorative National Student Tech talk series, in partnership with Kerala Technological University(KTU). Dr. Arun Anirudhan V, Scientist Engineer D at Sree Chitra Thirunal Institute for Medical Sciences and Technology & Post Doctoral Fellow at IIIT Hyderabad was the Session Chair for the talk. Four dignitaries from different colleges were invited as the dignitaries, who presented their views on Deep Fakes, Data science in Medical Domain, The Brain-Machine Interface, and Digital Privacy. The event was open to all CSI student members and professionals. This event gave idea pitching opportunities to students and encouraged them to present their research in front of a large panel.

Title of Activity	TechVo - Tech Talk Series - Blockchain Technology
Date	19 June 2021
Mode	Online

Blockchain is the foundational technology that powers cryptocurrencies. Its relevance in the current world is irreplaceable. As part of TechVo, a weekly talk series conducted by CSI SB TKMCE, an interesting session on Blockchain was organized. The talk was handled by Risal Rasheed and Nithin Jose. The session proved to be an informative and inspiring one for all participants. The event was coordinated by Ameesha and Jijo Johnson.

REPORT ON TECHVO - TECH TALK SERIES
ALAN TURING- THE VICTIM OF PREJUDICE

Title of Activity	TechVo- Alan Turing
Date	23 June 2021
Mode	Online

CSI SB TKMCE conducted a talk session as a tribute to Alan Turing, who despite being a pioneering mathematician and the father of modern computer science, was prejudiced by society for who he really was. The talk was led by Almira Asif Khan, a first-year student at TKM College of Engineering. The session mainly focused on his life struggles and the struggles faced by the LGBTQ+ Community that continues to the current era of modernization.

REPORT ON C++ WORKSHOP

The poster for the C++ Workshop features a dark blue curved background on the left and a light yellow background on the right. At the top left is the logo of the Computer Society of India (ESTD. 1986). At the top right is the logo of Anna University. The main title 'C++ WORKSHOP' is prominently displayed in the center. Below it, a list of topics includes Introduction, OOPS concepts, and STL functions. Two speakers are featured: Rohith Karunakaran (R4) for Introduction & OOPS concept, and Praveen Krishna (R6) for STL Functions. The dates '28th & 29th August' are shown in a yellow circle. A registration link is provided at the bottom right. Contact numbers for Mikhel (77367 52805) and Diana (73567 32344) are at the bottom.

Title of Activity	C++ Workshop
Date	28,29 August 2021
Mode	Online

Realizing the importance of C++ due to its integral role in contemporary systems such as operating systems, web browsers, databases, etc, CSI SB TMCE organized a C++ Workshop. The workshop was open to all students from different departments and was covered in three sessions, taken by Rohit Karunakaran and Praveen Krishna, students of TKM College of Engineering. The workshop was marked to be an exemplary one in terms of coordination, active participation of attendees, and overall structure.

REPORT ON ORACLE PLACEMNET ORIENTATION

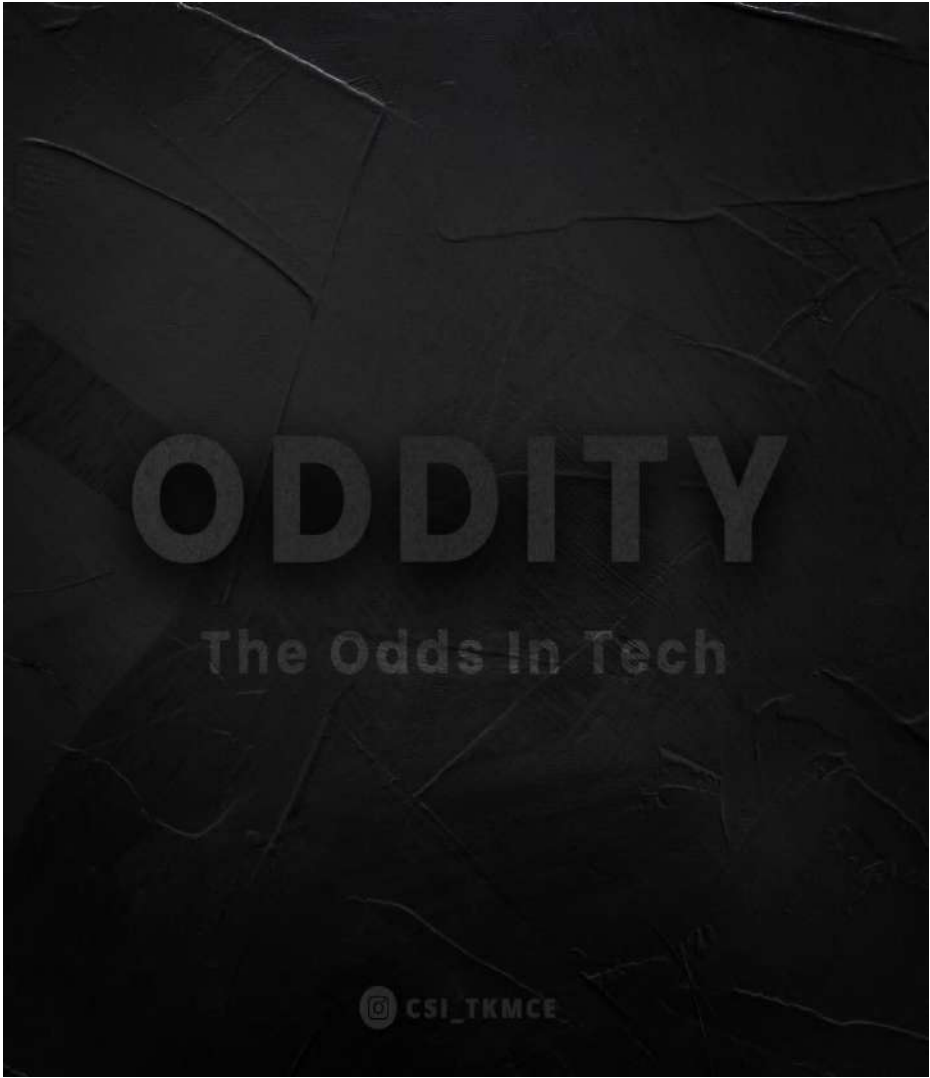

Title of Activity	ORACLE PLACEMENT ORIENTATION
Date	2 October 2021
Mode	Online

Realising the importance of placement preparation, CSI SB TKMCE organised Oracle Placement Orientation to guide students with the perfect placement strategies and tips to follow. Praveen Krishna, a fourth-year student of TKM College of Engineering, who successfully tackled the Oracle interview and is now placed as a software developer at Oracle, took over the session. The event was interactive where the attendees clarified their queries and concerns regarding the placement process and witnessed a participation count of 40 which were beneficial for all the attendees. The event gave an insight into the career path to choose and some beneficial approaches regarding placement preparation. The event was well coordinated by Niranjana and Akshara.

REPORT ON ODDITY

Title of Activity	Oddity
Platform	Instagram

The oddity is the weekly edition of CSI SB TKMCE about various mysteries and interesting stories that took place in the tech world. It includes everything from secret treasure hunts to bitcoin fraud cases. Every week, a mysterious incident on the internet is updated. The major goal of this approach is to increase the willingness and interest of CSI members in technology.

REPORT ON FIRST-YEAR ORIENTATION OF CSI

Title of Activity	First year orientation
Date	14 February 2021
ModePlatform	Offline

CSI SB TKMCE made a kickstart with First year orientation for the year 2021-22. It was mainly aimed to give an idea about the vision and mission with which the Computer Society of India works, to the newcomers of the campus. The participants included all the two batches of first years. The welcome speech was given by the Chairperson, Akshara Jayachandran. Later the events and competitions conducted in the past years by the student branch were briefly addressed by Almira Asif Khan, Documentation head. Ice breaking sessions, including games, were held after the formal session.

REPORT ON QUIZ COMPETITION

The Game of Tech 2.0

OBJ About The Game of Tech 2.0

An enthralling, well organized Quiz Competition was organized by CSI SB TKMCE exclusively for TKMCE Students. The event was hosted as two sessions on 29 December, 2021 and 6 January, 2022. Teams with maximum two members were formed by students.

The Syllabus for the quiz was :

Operating System, History of Computer, Computer Architecture, Programming Languages, Networking.

The Prelims

Date	29 December 2021
Time	11 A.M.
Mode	Online
Medium	Google Form
Duration	10 minutes

A total of 12 teams participated in the Prelims out of which only 5 advanced towards The Finals.

Results of Prelims

Ranks	Team - Team Member(s)
1	TKM Squad - Asher Mathews Shaji and Muhammed
2	Slitherin - Sreehari Suresh
3	The Chosen Ones - Akshay K
4	base64 - Thejus G Sajan and Allan Anilson
5	LA - Angath J R and Lubaib

THE FINALS

The Finals was conducted with three rounds with exceptional performance from the participants' side at the spacious Seminar Hall of TKMCE, Kollam from 5 to 6 pm on 6 January, 2022.

Round 1: Questions based on famous Personalities in the tech industry and their contributions towards the field.

Round 2: Questions related to topics such as Programming Languages, Operating System, History, Computer Architecture, Networking , AI, Machine Learning, etc.

Round 3: Questions that tested them against the clock. First one to make it right gets the score. Each wrong attempt caused a reduction in scores too.

Results of the Finals

Ranks	Team - Team Member(s)
1	TKM Squad - Asher Mathews Shaji and Muhammed
2	LA - Angath J R and Lubaib
3	base64 - Thejus G Sajan and Allan Anilson

Title of Activity	Introduction to Git and Github
Number of participants	75
Date	14 February 2022
Platform	Online

CSI SB TKMCE along with TinkerHub TKMCE conducted a Workshop on Git and Github, aimed at providing an introduction to the same for the beginners. The event was open to all students, and was scheduled at 7 p.m, for an hour. Around 75 students from various colleges participated actively. Rohit Karunakaran, third year student from TKM College of Engineering mentored the participants through the session. Following the session, students were given the opportunity to clear any doubts. The event was coordinated by Jishnu and Swathy.

NOOHA | +91 9961 220 370

Title of Activity	DOT SLASH- Monthly Coding competition (Phase 1)
Number of Sign-ups	37
Date	20 February 2022
Platform	Hacker Rank

Dotslash was a monthly coding competition conducted by CSI SB TKMCE aimed to help the new programmers at the campus to hone their coding skills. The contest decided to be conducted in a number of phases with each phase having leaderboards to build an interest in students to code. Dotslash had its first phase on the 20th of February, 2022.

The contest was open for a time period of 24hrs from the commencement, and the participants could take part as per their convenience and use any programming language of their choice in which they were excellent at. The participants were expected to have a HackerRank account. Winners were to receive fantastic rewards in the end. Sanjay SJ led the phase 1 standings, with Albin Daniel in second place. The event was well coordinated by Nooha and Ameesha.

Date	16 April 2022
Platform	Hacker Rank

Following the completion of Phase 1 of Dot Slash, CSI SB TKMCE conducted Phase 2 on April 16, 2022. The same guidelines applied to this phase as well.

The event was open for 24 hours after it began, and contestants were free to participate at their convenience and using whichever programming language they felt was most suited for them. Registrations totaled 32 during this phase. It was a tough competition this time. Asher Mathews Shaji and S Fasma made it to the top eventually. Nooha and Ameesha did an excellent job of organizing the event.

PHASE 3

The poster features a dark background with blurred, colorful lines of code in shades of green, yellow, and red. In the top left corner is the logo of the Computer Society of India (CSI), which includes a blue circle with a white 'C' and the text 'COMPUTER SOCIETY OF INDIA' and 'ESTD. 1963'. In the top right corner is the logo of the Government Engineering College, Salem, featuring a circular emblem with a building and the text 'GOVERNMENT ENGINEERING COLLEGE, SALEM' and 'QUALITY EDUCATION'. The central text reads 'CSI SB TKMCE' in white, followed by 'dotslash' in a large, white, lowercase font with a blue slash through the 'o'. Below this, it says 'MONTHLY CODING COMPETITION' in a smaller white font. On the right side, the text 'PHASE 3' is followed by '18th June 2022' and 'OPEN 24 HOURS' in white. Below this, 'PLATFORM: HackerRank' is written in white, with 'HackerRank' enclosed in a rounded rectangle. At the bottom right, the contact information 'AMEESHA | +91 6238 989 683' and 'NOOHA | +91 9961 220 370' is listed in white. In the bottom left, there is a stylized illustration of a person with green hair and glasses, wearing a green shirt, sitting at a yellow desk with a laptop and a white mug that says 'CODING'.

Final Leaderboard^[OBJ]

The final leaderboard was published based on the combined scores of all three phases till date. Sanjay S J of S4 Computer Science topped the leaderboard. Alex Joseph Pius and Prathyush Madhu of S2 Computer Science were the first and second runners up.

The image is a digital leaderboard for the 'dotslash' Monthly Coding Competition. It features a dark blue background with a geometric pattern of light blue and white lines. At the top left is the logo of the Computer Society of India (ESTD. 1995). At the top right is the logo of the Government of Karnataka. The title 'dotslash' is prominently displayed in the center, with 'MONTHLY CODING COMPETITION' written below it. A central white-bordered box contains the 'WINNERS' section. It lists three winners: 1st place is Sanjay S (R4), 2nd place is Alex Joseph Pius (R2), and 3rd place is Prathyush (R2). Each winner's name and rank are accompanied by a small portrait photo. At the bottom of the image, the word 'CONGRATULATIONS' is written in large, bold, white capital letters.

CYBERSECURITY WORKSHOP

SMASHING THE STACK :

**BUFFER OVERFLOW AND
FORMAT STRING ATTACKS**

Session By :

VIVEK BALACHANDRAN

Assistant Professor,
Programme Leader Singapore Institute of Technology

DATE : 26TH JUNE 2022 | TIME : 9:30 AM

Angath : 9048426677
Kavya : 7510934252

SMASHING THE STACK

A cybersecurity workshop by Mr. Vivek Balachandran

With the deluge of data ,much of which is sensitive and confidential ,the importance of cybersecurity continues to grow. The growing volume and sophistication of cyber attackers and attack techniques compound the problem even further.

Realizing its significance, CSI SB TKMCE organized a workshop on cyber security. Mr. Vivek Balachandran, Assistant Professor, Programme Leader of Singapore Institute of Technology was invited as the speaker . It was conducted on 26th June 2022 .

The session was attended by more than 68 participants. The speaker enriched the attendees by mainly focusing on the salient aspects of the sector . He also shared his knowledge with respect to buffer overflow and format string attacks.

Participants came equipped with some installations prior to the session. The session provided hands-on training and the attendees got some core insights into cybersecurity.

The students attended the session very enthusiastically, it was a very beneficial session.

Report on Localhost 3.0

LocalHost, the flagship event of **CSI SB TKMCE** was conducted on 2,3 rd July 2022.

Aimed to impart various skill sets to students from web development and artificial intelligence to UI/UX designing and debugging, LocalHost was a success considering how it helped students to take up new skills. The event was coordinated by Kiran Thomas and Almira Asif Khan.

REPORT ON WEB DEVELOPMENT (NODE JS) WORKSHOP

The poster features a dark blue and purple geometric background. On the right, there is a silhouette of a person wearing a headset and looking at a computer screen displaying code. The text is primarily white and yellow. Logos for CSI SB TKMCE and a circular emblem are at the top. The Node JS logo and the text '<%= EJS %>' are enclosed in a white rounded rectangle. A QR code is located in the bottom right corner.

2 DAYS

DATE : 2ND & 3RD JULY

Deepak : 9605627316
Akash : 7306829337

Title of Activity	Web development (NodeJS) workshop
Number of participants	10
Date	2 & 3 July 2022
Platform	Offline

As part of Localhost 3.0, CSI SB TKMCE conducted a Web development workshop. It covered topics ranging from the basics of Web Development like HTML, CSS, and JavaScript to NodeJS, one of the most popular JavaScript frameworks.

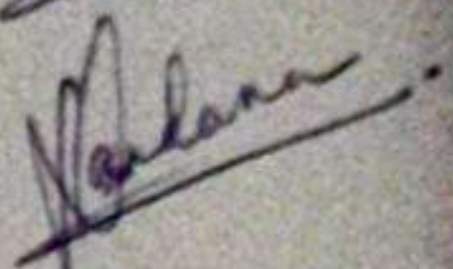

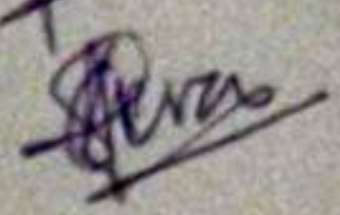

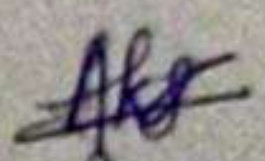

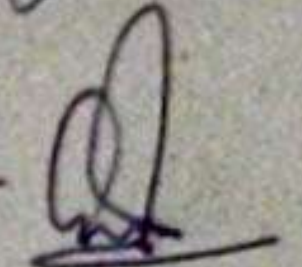

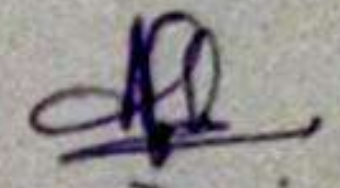

There were 10 participants who were mentored by P.K Aravindkrishnan and Aboo Zuhaib, third year students of TKM College of Engineering, who were adept in this field.

Being a hands-on session, students had the opportunity to put what they had learned into practice and get any doubts cleared right away.

The workshop was informative and beneficial for the participants, feedback was received from them at the end of the session.

The event was well coordinated by Akash and Deepak on both days.

Title of Activity	Game development workshop
Number of participants	20
Date	3 July 2022
Platform	Offline

The Game Development workshop conducted by CSI SB TKMCE as a part of Localhost saw an active participation. The workshop was aimed at inculcating an interest towards Game development in students by creating a simple '3D Flappy bird' game. At the end of the workshop everyone had a game created by themselves. The workshop was handled by Rohan Anilkumar, a second year Computer Science student at TKM College of Engineering. The session was well coordinated by Tony and Thej Zain.

REPORT ON IT'S A FEATURE: DEBUGGING COMPETITION

The poster is set against a dark blue background with a large white circular arc. On the left, a person in an orange shirt and green pants holds a large magnifying glass over a laptop screen displaying a bar chart. Behind the person are yellow gears, one of which has a red bug on it. The text 'IT'S A FEATURE!!' is written in large blue letters, with 'Debugging Competition' below it in a smaller blue font. The date 'ON JULY 2ND' is displayed in blue, followed by a blue pill-shaped button containing the text 'Mode : Offline'. Three red bugs are scattered across the poster. Logos for 'CSI SB TKMCE' and 'TERMINUS SECURITY' are in the top corners. A QR code is in the bottom right corner.

Debugging Competition

ON JULY 2ND

Mode : Offline

Nooha : 9961220370
Sreelekshmi : 9747147442

Title of Activity	It's a feature : debugging competition
Number of participants	20
Date	2 July 2022
Platform	Offline

Realizing that debugging is as important as coding itself, CSI SB TKMCE, as part of LocalHost 3.0 organized It's a feature - a one of a kind debugging competition. The event had a total of 3 rounds and the points acquired by participants in all three rounds were added up to make the final leaderboard. Round 1 was held on quizizz and the remaining two rounds were hosted in Hackerrank.

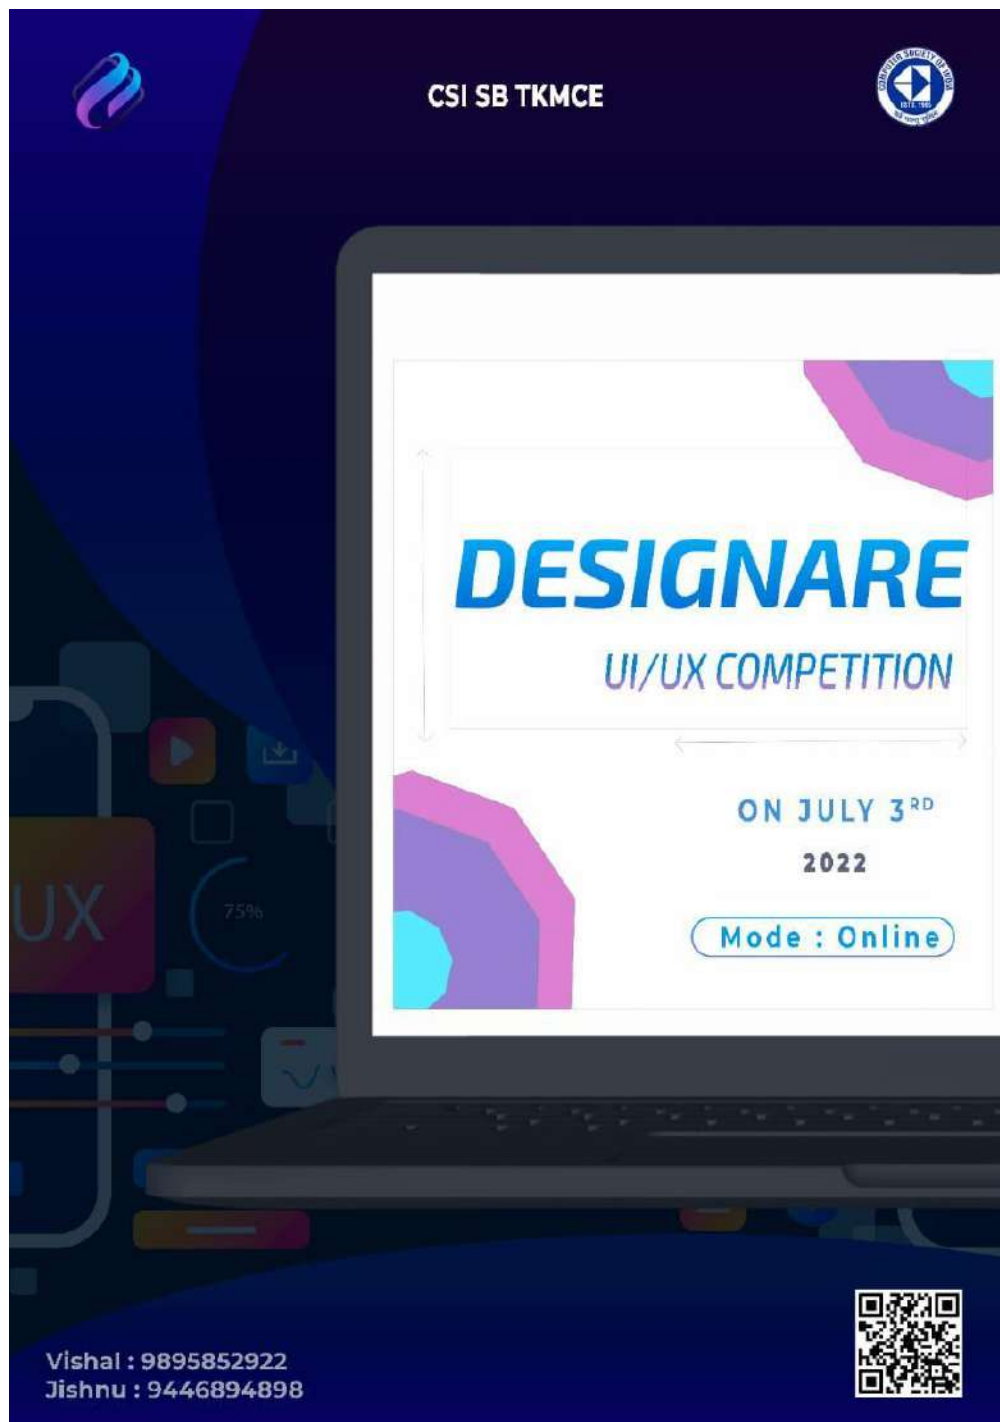

After a tight and intriguing competition, Alex Joseph Pius from first year CSE emerged as the winner. The second and third prizes were bagged by Atheeth S Radhakrishnan and Vinay Arun Kumar. The winners were awarded a cash prize worth 1 K and the participants were awarded certificates.

The event was well coordinated by Fathima Nooha Kottangodan and Sreelakshmi Satheesh.

REPORT ON DESIGNARE: UI/UX COMPETITION

The poster is set against a dark blue background with abstract shapes and icons. At the top left is a logo with two overlapping blue and purple circles. At the top center is the text "CSI SB TKMCE". At the top right is a circular logo for "CHANGING SOCIETY BY DESIGN" with "INTRA-TRO" and "BY DESIGN" below it. The central graphic is a laptop screen displaying the competition details. The screen has a white background with colorful geometric shapes in the corners. The text on the screen reads: "DESIGNARE" in large blue letters, "UI/UX COMPETITION" in smaller purple letters, "ON JULY 3RD 2022" in blue, and "Mode : Online" in a blue rounded rectangle. At the bottom left of the poster, contact information is listed: "Vishal : 9895852922" and "Jishnu : 9446894898". At the bottom right is a QR code.

Title of Activity	Designare: UI/UX Competition
Number of participants	15
Date	2 July 2022
Platform	Online

Designare - UI/UX designing competition was held as part of LocalHost 3.0 by CSI SB TKMCE. The event drew a bunch and included a total of ten participants.

The competition's theme was 'Rent-A-Boat,' and contestants had to show off their unique ideas by submitting their work online within the given deadline. The contributions were finally examined, and each was awarded points. All the submissions featured innovative approaches, however the winners were picked based on the unique designs and functionalities of the web-app. Abhiram Krishnan of TKM College of Engineering bagged the first prize. The second and third positions were grabbed by Ritin and Abhijith. Vishal Vidyanand and Jishnu Das organized the event excellently.

REINTRODUCING DOTSLASH - MONTHLY CODING COMPETITION

Title of Activity	Dotslash - Introduction to HackerRank for beginners
Number of participants	48
Date	28 July 2022
Platform	Online

To mark the beginning of reintroducing Dotslash, CSI SB TKMCE conducted an online session on 'Introduction to Competitive Programming and HackerRank'. Alex Joseph Pius, first year Computer Science student, gave an insight into competitive coding and introduced the attendees to the coding platform HackerRank. They were guided through the procedures of creating an account and getting started in the domain of coding. Towards the end of the session, a coding problem was presented to the participants who were to submit the solution in HackerRank. This part of the session received multiple questions regarding problem solving, logical thinking and rank evaluation. Over 45 students attended the session and more than half of them completed the code successfully. The team hopes to find the same enthusiasm on the day of competition as well.
